REV. 4-17-98

Kit Number 29431

## ENRICHENER/CHOKE KNOB COVER

### General

This kit is designed to fit all 1987 and later Harley-Davidson motorcycles.

### Kit Contents

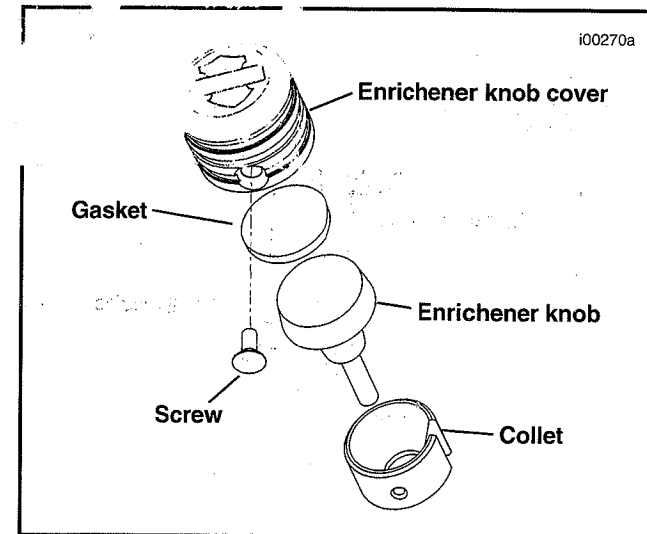

<u>Item</u>	<u>Description</u>	<u>Part</u>
1	Screw	Not sold separately
2	Enrichener knob cover	Not sold separately
3	Gasket	Not sold separately
4	Collet, enrichener knob	Not sold separately

### Installation

#### NOTE

If there are any rough edges around enrichener knob that prevent enrichener knob cover from sliding in place, remove them using fine grit sandpaper or emery cloth.

1. See Illustration. Install collet, enrichener knob cover and gasket as shown. Apply Loctite 222 (purple) to threads of screw. Line up hole in collet with hole in enrichener cover and insert screw. Tighten screw.
